Re: Fresno River Riparian and Appropriative Right Holders Land Crop Report and Map

Dear Riparian and Appropriative Right Holders:

2016 Allocation	Water Used
554.55 AF	0 AF

MID has concluded its 2016 water season, unused 2016 allocation will not be carried over to the 2017 riparian water year.

In accordance with the Fresno River Operations Protocols, Madera Irrigation District (MID or District) is required to request the following documents from Fresno River Riparian and Appropriative Right Holders annually for the purpose of allocating Fresno River flows to each Riparian and Appropriative Right Holder for the upcoming year:

ANNUAL CROPPING SUBMITTAL

Madera Irrigation District, in compliance with the Fresno River Operations Protocols, calls on Fresno River Riparian and Appropriative Right Holders to annually submit their current crop pattern for the Riparian water year (October 2016-September 2017), acreage map, and diversion capacity to the District.

This information should include:

- Acreage
- Crop pattern
- Irrigation type
- Cover crop (if applicable)
- Diversion capacity

The District reserves the right to visually inspect the subject property, either on the ground or via satellite imagery, and to compare each parcel's cropping pattern that is submitted.

The attached form and any other requested information must be received by the District no later than 4:00 PM on Friday, December 16, 2016 with no exceptions. If the data requested is not provided by the deadline, the District will assume that the Riparian and Appropriative Right Holders will not be diverting Fresno River flows for this coming year.

ADDITIONAL REQUIRED DOCUMENTS

District records indicate the required documents checked below have not been provided to the District. These documents must also be submitted by 4:00 PM on Friday, December 16, 2016.

- ☒ 1. Chain of Title or Legal Opinion that your land is eligible to receive Fresno River Riparian water.
- ☐ 2. Independent pump test or diversion capacity flow test documenting your diversion capacity. ***NOTE: If your diversion capacity has changed since your last submittal, it is your responsibility to notify MID.***
- ☒ 3. 2017 crop map for Riparian and Appropriative Right acreage only. ***By signing the attached form, the landowner is certifying that only the riparian and/or appropriate acreage is being provided to the District for allocation calculations.***
- ☒ 4. A copy of your latest "Statement of Diversion and Use" as required by the State Water Resources Control Board. For more information, please refer to State website:
http://www.waterboards.ca.gov/waterrights/water_issues/programs/diversion_use/
- ☒ 5. 2017 Riparian and Appropriative Right Holders cropping information sheet (enclosed). ***By signing the attached form, the landowner is certifying that only the riparian and/or appropriate acreage is being provided to the District for allocation calculations.***

Thank you in advance for your cooperation.

Sincerely,

Sean M. Smith, PE
District Engineer

Re: Fresno River Riparian and Appropriative Right Holders Land Crop Report and Map

Dear Riparian and Appropriative Right Holders:

2016 Allocation	Water Used
2814.33 AF	2814.33 AF

MID has concluded its 2016 water season, unused 2016 allocation will not be carried over to the 2017 riparian water year.

In accordance with the Fresno River Operations Protocols, Madera Irrigation District (MID or District) is required to request the following documents from Fresno River Riparian and Appropriative Right Holders annually for the purpose of allocating Fresno River flows to each Riparian and Appropriative Right Holder for the upcoming year:

ANNUAL CROPPING SUBMITTAL

Madera Irrigation District, in compliance with the Fresno River Operations Protocols, calls on Fresno River Riparian and Appropriative Right Holders to annually submit their current crop pattern for the Riparian water year (October 2016-September 2017), acreage map, and diversion capacity to the District.

This information should include:

- Acreage
- Crop pattern
- Irrigation type
- Cover crop (if applicable)
- Diversion capacity

The District reserves the right to visually inspect the subject property, either on the ground or via satellite imagery, and to compare each parcel's cropping pattern that is submitted.

The attached form and any other requested information must be received by the District no later than 4:00 PM on Friday, December 16, 2016 with no exceptions. If the data requested is not provided by the deadline, the District will assume that the Riparian and Appropriative Right Holders will not be diverting Fresno River flows for this coming year.

ADDITIONAL REQUIRED DOCUMENTS

District records indicate the required documents checked below have not been provided to the District. These documents must also be submitted by 4:00 PM on Friday, December 16, 2016.

- ☐ 1. Chain of Title or Legal Opinion that your land is eligible to receive Fresno River Riparian water.
- ☐ 2. Independent pump test or diversion capacity flow test documenting your diversion capacity. ***NOTE: If your diversion capacity has changed since your last submittal, it is your responsibility to notify MID.***
- ☒ 3. 2017 crop map for Riparian and Appropriative Right acreage only. ***By signing the attached form, the landowner is certifying that only the riparian and/or appropriate acreage is being provided to the District for allocation calculations.***
- ☒ 4. A copy of your latest "Statement of Diversion and Use" as required by the State Water Resources Control Board. For more information, please refer to State website:
http://www.waterboards.ca.gov/waterrights/water_issues/programs/diversion_use/
- ☒ 5. 2017 Riparian and Appropriative Right Holders cropping information sheet (enclosed). ***By signing the attached form, the landowner is certifying that only the riparian and/or appropriate acreage is being provided to the District for allocation calculations.***

Thank you in advance for your cooperation.

Sincerely,

Sean M. Smith, PE
District Engineer
